Teaching:

Interests: European integration, European Foreign Policy, International relations theory, Conflict Resolution

1. Courses Taught

Current:

Politics of Identity and Memory in Contemporary Europe (INTL 423/523): discusses the tensions between ethno-cultural and cosmopolitan conceptions of European identity, the different ways in which these conceptions co-exist with different national identities, rise of Euroscepticism, nativism and xenophobia in contemporary European societies.

European Foreign Policy (INTL 447): analyzes the relationship between the construction of European identity and the conduct of European foreign policy in various regions of the world.

Institutions and Politics of the European Union (INTL 330): provides students with an informed understanding of the European Union, its history, institutions, and policy-making in different issue areas.

Previous:
